Snapshots Needed!

Dust off your camera, pop in some fresh batteries and take it to the fair! We want your candid snapshots of 4-Hers in action. Each year, we try to put together an end of year slideshow of 4-H activities, so make sure you don't forget the camera.

Head

Dear Franklin County 4-H Families:

The Franklin County Fair is only a couple of weeks away. I am sure that it probably feels like yesterday that you were picking out your 4-H projects for this year and now you are probably scrambling to get them completed for evaluation. So many of you deserve all of the pretty ribbons, but unfortunately only few will actually get them. So do your very best and know that completing your project and knowing you did your very best is an accomplishment in itself!

Heart

I also want to take this opportunity to thank the many 4-H volunteers and Club Advisors for all of the hard work that they have done in getting clubs organized, kids informed, and events coordinated. Without them, none of your 4-H experiences would be possible. So please, thank a volunteer and remember that they are doing this so that Franklin County youth can make the Best Better!

See you at the fair!
Beth Boomershine

2010 Fair Parking Policy

ATTENTION: ALL LIVESTOCK EXHIBITORS
 NEW FOR 2010 FRANKLIN COUNTY FAIR

After working and planning with the Fire Marshall and preparing for further fairground improvements and construction, there will be some changes for the 2010 fair. The Livestock Exhibitors Parking Pass is being eliminated. Those exhibitors who qualified to purchase a Livestock Exhibitor Pass may instead this year purchase a 2010 Vehicle Delivery Pass. The Vehicle Delivery Pass will cost \$15. Holders of the pass may enter and exit the fairgrounds through Gate 5 (Livestock gate) before 11:00AM or after 11:00PM. This pass allows holders to enter during the designated times for drop off or pick up of supplies ONLY, there is no parking. The holders are also eligible on a first come, first serve basis to park within the permit parking area of the east parking lot. When this area is full, pass holders must park in the general parking areas. Most of the restrictions with this pass are not new, they are only enforcement of previously existing rules. The Agricultural Board reserves the right to turn vehicles away at any time due to overcrowding or any other specified reason.
