Agricultural Fertilizer Certification

Anyone applying fertilizer (other than manure) to more than 50 acres of agricultural production must be certified.

Get Certified

- Attend a 3 hour fertilizer certification training or take the agricultural fertilizer applicator exam
- Recertify every 3 years

The \$30 fee for your pesticide applicator license is a separate fee from the class registration fee and must be sent to the Ohio Department of Agriculture with the renewal application. ODA now accepts online payment/renewal at <https://agri.ohio.gov/PesticidesOnline>
